

CITIZEN POTAWATOMI NATION TAG AGENCY

NON-USE IN LIEU OF LIABILITY INSURANCE (NILLI) AFFIDAVIT
POLICY AND PROCEDURE

POLICY:

This policy is to provide the Citizen Potawatomi Nation Tag Agency instructions for processing vehicle registrations using the Non-Use In Lieu of Liability Insurance (**NILLI Affidavit**). Vehicles registered with the Citizen Potawatomi Nation are required to have current Oklahoma Liability Insurance with the exception of the vehicle that is not in use at the time of registration which requires a Non-Use decal placed on the Citizen Potawatomi tag.

PROCEDURE:

The owner must keep the registration current and file the **NILLI Affidavit** with the Tag Agency. The month decal will remain the same and the registration of the renewal year is to be paid by the owner. The yearly validation decal issued to the owner of a vehicle will be a decal of a separate and distinct color from all other yearly decal types. The **NILLI Affidavit** will keep penalty fees from accruing until the vehicle is placed back in service and insurance is provided to the Tag Agency.

It shall be the owner's responsibility to obtain insurance if such vehicle is put into service at a later time. The owner of the vehicle is not required, upon putting the vehicle back in service, to purchase another registration decal indicative of liability insurance coverage. The Tag Agency will issue the proper year decal at no charge and an updated registration is provided for the vehicle. If the registration is expired, the owner is responsible for penalties due.

If the Non-Use decal is stolen, the owner shall provide the Tag Agency with the police report and no fee will be assessed. If no police report is provided, a fee of \$10.00 will be charged to replace the decal.

FEES:

| | |
|-----------------------|-----------------------|
| Renewal Registration: | \$ (Yr./Renewal Rate) |
| Replacement Decal: | \$10.00 |
| Non-use Decal: | no charge |
