CITIZEN POTAWATOMI NATION THE HONORABLE JOHN BARRETT,
CHAIRMAN
1601 SOUTH GORDON COOPER DRIVE
SHAWNEE, OK 74801

NOTICE OF DECISION

Dear Applicant:

This decision is a result of our analysis of an application filed by CITIZEN POTAWATOMI NATION
THE HONORABLE JOHN BARRETT, CHAIRMAN for trust acquisition of fee lands. The property
is described as follows:

See "Exhibit A" for legal descriptions.

Regulatory Authority

The applicable regulations are set forth in the Code of Federal Regulations (CFR) Title 25, Part 151.
The regulations specify that it is the Secretary's policy to accept lands "in trust" for the benefit of
Tribes when such acquisition is authorized by an Act of Congress; and, (1) when such lands are within
the exterior boundaries of the Tribe's reservation, or adjacent thereto, or within a Tribal consolidation
area, or (2) when the Tribe already owns an interest in the land; or (3) when the Secretary determines
that the land is necessary to facilitate Tribal self-determination, economic development, or Indian
housing.

This acquisition facilitates Tribal Self-Determination. Therefore, it is within the land acquisition policy
as set forth by the Secretary of the Interior.

Pursuant to 25 CFR Part 151, the Secretary will consider the following requirements in evaluating
tribal requests for the acquisition of lands in trust status, when the land is located within or contiguous
to the tribe's reservation, and the acquisition is not mandated:

(a) The existence of Statutory Authority for the acquisition and any limitations contained in such
authority; (b) need of the individual Indian or the Tribe for additional land; (c) the purpose for
which the land will be used; (d) if the land is to be acquired for an individual Indian, the amount of
trust or restricted land already owned by or for that individual and the degree to which he needs
assistance in handling his affairs; (e) impact on the State and its political subdivisions resulting from
removal of the land from the tax rolls; (f) jurisdictional problems and potential conflict of land use
which may arise; (g) whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities resulting from the acquisition of the land in trust status; and, (h) the extent to which the applicant has provided information that allows the Secretary to comply with 516 DM 6, appendix 4, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions.

Our review of the requirements to evaluate this Tribal request as set forth in 25 Code of Federal Regulations, § 151.10 (a) through (h), determined the following:

1. **25 CFR § 151.10 (a) Statutory authority for the acquisition of the property.**

   25 U.S.C. 5108 INDIAN REORG ACT JUNE 18 1934 (48 STAT. 984)

2. **25 CFR § 151.10 (b) – The need of the individual Indian or a Tribe for additional land.**

   Tribal Self-Determination.

3. **25 CFR § 151.10 (c) – Purpose for which the property will be used.**

   Agriculture.

4. **25 CFR § 151.10 (d) – If the land is to be acquired for an individual Indian, the amount of trust or restricted land already owned by or for that individual and the degree to which he needs assistance in handling his affairs.**

   N/A

5. **25 CFR § 151.10 (e) – Impact on State and its political subdivisions resulting from the removal of this property from the tax rolls.**

   This acquisition will not have a significant impact on the State and its political subdivisions resulting from the removal of the land from the tax rolls. The property currently generates a total of $156.98 in property taxes.

6. **25 CFR § 151.10 (f) – Jurisdictional problems and potential conflicts of land use.**

   There are no known jurisdictional problems or potential conflicts of land use concerning this property.

7. **25 CFR § 151.10 (g) – Whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities.**
