

GETTING STARTED WITH CPN CARE

CPN Care is a powerful new telehealth program built specifically for Citizen Potawatomi Nation and offers 24/7 access to quality healthcare by phone at no cost to you or your family!

SERVICES INCLUDE:

General Telemedicine | Life Assistance | Pharmacy Discount Services

YOU MUST COMPLETE THESE STEPS TO USE CPN CARE

1. Activate your benefit

- Login to the CPN member portal
- Click on the 'Tribal Rolls' box
- Confirm that your information is correct
 - Name
 - Address
 - Date of birth
 - Gender
 - Phone and email
 - District
- Click on the 'CPN Care Activation' button under the 'Actions' section
- Check the two boxes and click 'Activate the CPN Care Benefit'
- Once submitted, the benefit will be activated in 24-72 hours and you will be notified via email. The email will be sent to the address you entered on the Tribal Rolls page.

2. Download the app

- Visit qrco.de/cpn-care or search for 'AllyHealth' in either the Apple or Google app stores to download the AllyHealth app.

3. Register your account

- Open the AllyHealth App
- Click the 'Create Account' button
- Click the 'Primary Member Registration' button
 - Ignore the QR code scan unless you have one to scan.
 - If you are unable to register through the app, call **877-283-3777** or email support@allyhealth.net for help.
- Enter the last name, DOB and zip you used when activating your benefit
- Once your account is found, complete the remaining steps
- Once completed, you can login and use the CPN Care benefit

4. Complete your medical history

Provide some basic medical information, such as:

- Whether you are taking any medications
- Do you have any allergies or preexisting conditions
- Have you had any medical procedures

5. Add dependents under 18

- Tap the more icon in the bottom right
- Tap 'Family & Dependents' under the 'My Account' section
