Bozho (hello),

The Citizen Potawatomi Nation, Citizen Potawatomi Nation Health Services, and our emergency response team are monitoring the coronavirus, or COVID-19. We have been implementing recommendations from the Centers for Disease Control (CDC) and reviewing and updating our internal policies and procedures to help provide a safe environment at all CPN enterprises and facilities and maintain our standard operations.

At this time, the Citizen Potawatomi Nation Department of Education is still accepting applications for the summer scholarship period, which opened online at portal.potawatomi.org on March 15th at 8:00 a.m. Central Time and will close on June 15 at 5:00 p.m. Central Time. The Citizen Potawatomi Nation Department of Education will continue to review and approve these scholarships as they are submitted. **However, unless a student is on a non-semester schedule AND can provide documentation that they have already been billed for their courses, we will delay cutting scholarship checks for the summer semester until further notice.** By taking this measure, we can ensure that we are serving students on a priority basis even as the dynamic and evolving COVID-19 pandemic and response occurs.

If you have any questions about this policy or any other topics, our advisors remain committed to serving you via email at college@potawatomi.org or phone at 405-695-6028. We also have capability to schedule Zoom video call meetings to meet face-to-face while honoring social distancing guidelines.

Migwetch (thank you),

Tesia Zientek, M.A.
Director
