Citizen Potawatomi Nation FireLodge Children and Family Services has implemented changes to ensure that our staff and clients are protected as the Coronavirus 2019 (COVID-19) situation develops. We are committed to service and safety for our clients and employees.

Our programs and services require that we continue to conduct face-to-face contacts, including essential child welfare visits, parenting classes, and investigations. Please expect the following changes:

- We have encouraged our staff and clients to stay home if they are sick.
- We have implemented new office cleaning procedures.
- We have implemented new screening procedures for our clients and all face-to-face visits will be pre-screened via telephone.
- Personal protective equipment will be used for home visits.
- We have canceled our Child Abuse Prevention Walk, which was scheduled for April 17.
- We will be providing transportation for essential appointments only.

If clients need help, we encourage them to reach out to us at 405-275-3121.
