

# CORONAVIRUS UPDATE

## CPN TAG AGENCY

UPDATED: June 19, 2020

The Tag Agency is facing a high demand for new registrations and we are taking new registrations in the order of scheduled appointments. Please keep your scheduled appointments on time or call in advance to cancel if you cannot keep your appointment as many are waiting to be registered. All new registrations must be screened by phone for appointments to meet the requirements of the policy change that was approved May, 30, 2019.

We will continue to assist with your CPN tag renewals and other related business in between appointments and ask for everyone's patience and cooperation as we are working meticulously to process your information.

Citizen Potawatomi Nation Tag Agency has implemented changes to ensure that our staff and customers are protected as the Coronavirus 2019 (COVID-19) situation develops. Our services require that we continue to conduct business and are committed to the service and safety for our customers and employees.

- We have encouraged our staff and customers to stay home if they are sick or have been exposed to someone that is ill.
- The Tag Agency lobby is closed until further notice.
- We have implemented and have social distancing procedures in place. Please remain outside of the Tag Agency entrance and follow instructions for curbside assistance.
- If customers need assistance, we encourage them to call the Tag Agency at 405-273-1009 and the staff will provide instructions for new tag appointments and how to renew your tag.
