### Terms and Conditions

This application is not intended to reserve a niche for future use. Upon the death of a CPN Tribal member or loved one, this application is to be completed and submitted to **Citizen Potawatomi Nation Tribal Rolls, 1601 S. Gordon Cooper Dr., Shawnee, OK 74801** or **columbarium@potawatomi.org**. CPN Tribal Rolls will confirm designee(s) enrollment status. If the cremated remains of the individual that will be inurned first is a non-CPN Tribal member, the enrolled CPN Tribal member's name and information must be included. Signing this application in no way places financial responsibility on CPN to pay for the cremation of the listed tribal member(s) or to pay for the transportation of cremated remains.

### Niche Assignment

The niche location will be assigned as the cremated remains are received. There are 400 niches in the CPN Columbarium. Each niche is designed for two urns. The CPN Columbarium has been financed through the American Rescue Plan Act (ARPA) funds. The proper sized urns have been purchased by the Citizen Potawatomi Nation. There may be a charge for inurnment when future columbariums are built as the need arises.
